

The Virtual TQS Schedule

Welcome to Virtual TQS!

Here at TQS, we know one thing keeping parents up at night, among many other pressing challenges, is your child's education during the continued COVID-19 health pandemic. We understand your worries, and we want to reassure you that we are dedicated to providing the care, service, and instruction that you've come to love and expect at The Quaker School at Horsham, no matter what the future holds. Our belief in our mission, our Quaker values, and our experience and expertise will ensure our students continue to learn, develop and shine during this time of change and challenge.
